

## WILSON-CROWE

## Prominent and Well Known Business Man Weds Chicago Lady.

Fred T. Wilson, of Boonville, and Miss Antoinette Crowe, of Chicago, were married Monday in St. Louis at the Old Cathedral, by Monigneur Tannrath, pastor of the church. Mr. and Mrs. Wilson are now the guests of Mr. and Mrs. A. Fredendall, having accompanied them home from St. Louis last night. Miss Crowe had been visiting Mrs. Fredendall for several days before the wedding took place. Mr. Wilson was also in Columbia. They accompanied Mr. and Mrs. Fredendall to St. Louis, the former having business there, and the wedding was arranged to take place in the Catholic cathedral there.

The bride is a most attractive and charming lady and a member of one of the well known families in Chicago.

The groom has been for several years a leading merchant and business man of Boonville, being a member of the firm of Wilson & Fredendall, which conducted a large department store in that city. The business was recently sold. Mr. Wilson is a business man of ability, and a genial gentleman who enjoys the esteem, the confidence and the friendship of all the people of Boonville.

His friends thought Mr. Wilson a confirmed bachelor and they will be surprised when they ascertain that he has completely surrendered to the Blind Archer and joined the innumerable caravan of Benedicts.

Mr. and Mrs. Wilson will make their home in Columbia until September, at least, and it is probable they may make their future home here.—Columbia Daily Tribune.

## Arrests Ordered For Vandalism in the Cemetery.

Many may not be aware of the fact that the Cemetery is now under control of an organization. This organization will not permit further trespassing in the Cemetery. It will not allow children to play in the Cemetery, or pull flowers, or abuse property. We have arranged to have an officer of the law to arrest such violators, and those who have been offending take notice. The Cemetery is private burying grounds, and there must from now on be order and obedience in regard to Cemetery rules and regulations. Parents take notice and warn your children. All remember, we must have order.

## Registration Still Open.

The government is inclined to pursue a liberal policy toward those who failed through sufficient cause, to register last Tuesday. The registration is open, and if anyone failed to comply with the law last Tuesday, they should hasten to register before the lid is screwed down and prosecution commenced. Don't fool yourselves into the penitentiary.

## Hale Stingy With Hits And Fanned Seventeen.

Brooks Hale was right Sunday when he faced the milkers from Kansas City as he didn't permit a thing that even the Kaiser could call a hit until the sixth inning, when the Dairys made two clean singles but could not score. Aside from these two hits everything was one, two, three. Two men reached first, and only one got as far as second, and only twenty-nine were permitted to bat.

The Athletics made seven hits and a run for every hit. Ten whiffed. Athletics made no errors while the milkers made four.
